Profile

A versatile designer with a Masters degree in Integrated Design from HfK Bremen and a Bachelor's in Product Design from GUC Egypt. My expertise spans UI/UX, and social media content creation, alongside skills in photography and documentation. With experience in event management and moderation, I thrive in diverse and fast-paced environments, constantly pushing the boundaries of creativity. I aspire to continue innovating and leveraging design to drive positive change and challenge societal norms.

Education

Masters in Integrated design from Hochschule für Künste Bremen, Germany HfK Bremen

Bachelor in Product design from the German University in Cairo, Egypt *GUC*
